
Our Cookie Policy

This site, like many others, uses small files called cookies to help us customise your experience. Find out more about cookies and how you can control them.

What are cookies?

Cookies are small files saved to your computer's hard drive that track, save and store information about your interactions and usage of the website. This allows the website, through its server to provide users with a tailored experience within the site. It is possible to switch off cookies by setting your browser preferences. Turning cookies off may result in a loss of functionality when using our website.

What cookies does WeAreburrows.com use?

This website uses tracking software (specifically, Google Analytics) to monitor its visitors and better understand how they use it. Every time someone visits our website, software provided by Google generates an 'anonymous analytics cookie'. These cookies can tell us whether you have visited the site before. Your browser will tell us if you have these cookies and, if you don't, we generate new ones. This allows us to track how many individual users we have, and how often they visit the site. We use them to gather statistics, for example, the number of visits to a page.

Other third-party cookies

On some pages of our website, other organisations may also set their own anonymous cookies. They do this to track the success of their application, or to customise the application for you. Because of how cookies work, our website cannot access these cookies, nor can the other organisation access the data in cookies that we use on our website.
